

***Nicollet-Lake Business Association  
Year 2008 Membership Drive***

It's 2008! Down Nicollet Avenue from the 29th Street Midtown Greenway up to 36th Street, along Lake Street from I-35W to Grand Avenue, the Nicollet-Lake Business Association is giving voice to Nicollet-Lake business community concerns upon a host of public stages, establishing contacts in City Hall, in the offices of Hennepin County, among the surrounding neighborhoods and neighboring business nodes, as well as with the numerous other citizen groups that influence this community!

A multitude of development matters continue to face us in Nicollet-Lake and demand addressing, including county efforts to finish widening and re-paving all of Lake Street, re-opening Nicollet Avenue at Lake Street and connecting I-35W with this part of south Minneapolis. These developments all affect your business dramatically, and because changes can happen swiftly, often business owners can be the last to hear when something is going on!

***Nicollet-Lake may change, but community participation on our part never will!*** You can count on the Nicollet-Lake Business Association to work with other dedicated members of our community to look for ways to protect and preserve our crucial business environment.

***Take a look at Nicollet-Lake's easy-to-navigate web-site at [www.nicolletlake.org](http://www.nicolletlake.org)!*** Get your business and your contact information listed by becoming a member! Keep track of important neighborhood events by checking the meeting calendar!

***This is the time for you to make your commitment to the Nicollet-Lake Business Association!***

***Annual dues for the Nicollet-Lake Business Association in 2008 are still just \$100!***

So help make 2008 another stellar year for Nicollet-Lake! Just fill out the enclosed form and send it to us at Nicollet-Lake. And remember, your dues are always tax-deductible!
